Owen Roe Estate

2024 Malbec "Genuine II"
Estate Bottled

This second version of Genuine is entirely sourced from one single barrel of estate-grown Malbec. We are delighted to produce these 24 cases of wine for our good friends Nancy and Denis Noel from Bennington VT – they selected this sole barrel from the myriad in our cellar from a hard day tasting through many disparate barrel lots.

The 2024 vintage was unique in several ways – first off during harvest the founders David and Angelica O'Reilly reaquired their property after a hiatus of 5 years – second the year was fantastic yielding small clusters of intensely flavored fruit. It is dark while showing restraint - the expression of fruit and richness is found in this carefully crafted wine for our dear friends.

Technical Information

This wine was cellared in a French Oak barrel for 19 months. The fruit was harvested from Union Gap Estate just prior to the O'Reilly's repurchase of their estate vineyard in October 2024

Alcohol 14.2% pH 3.80 TA 6.8 g/L

24 cases produced Bottled August 2026
